CALENDAR OF THE UNIVERSITY OF OTTAWA TEACHERS' COLLEGE

Location and Courses

Courses for the Interim Elementary-School Teacher's Certificate, the Deferred Interim Elementary-School Teacher's Certificate, and the Interim Second Class Certificate, each valid for five years in public and separate schools in which French is a subject of instruction with the approval of the Minister, will be offered during the school year 1959-60 at the University of Ottawa Teachers' College, 115 Wilbrod Street, Ottawa. (Note: The course leading to the Deferred Interim Elementary-School Teacher's Certificate will not be offered after June, 1960.)

Conditions of Admission

The academic requirement for admission to the course leading to the Interim Elementary-School Teacher's Certificate in September, 1959, will be standing in eight Grade 13 papers, one of which shall be *either* English Literature *or* English Composition, and a second shall be *either* French Literature *or* French Composition; or a degree approved by the Minister from a university in the British Commonwealth of Nations. In lieu of the Grade 13 standing required, the applicant may submit evidence of the successful completion of the First Year at the University of Ottawa, provided that the course includes English 1, 1a, 1b, and Français 1, or evidence of successful completion of the First Year at the University of Sudbury provided that the course includes English 1 and Français 1.

The academic requirement for admission to the course leading to the Deferred Interim Elementary-School Teacher's Certificate in September, 1959, will be standing in five Grade 13 papers, one of which shall be *either* English Literature *or* English Composition, and a second shall be *either* French Literature *or* French Composition. The holder of a Deferred Interim Elementary-School Teacher's Certificate will be granted an Interim Elementary-School Teacher's Certificate upon submitting evidence that he has fulfilled the current requirements for admission to the course leading to that certificate. (Note: The course leading to the Deferred Interim Elementary-

School Teacher's Certificate will not be offered after June, 1960.)

The academic requirement for admission to the course leading to the Interim Second Class Certificate in September, 1959, will be the Secondary School Graduation Diploma of the General Course with at least three options, one of which shall be French Literature and French Composition. (Note: Beginning in September, 1961, the academic requirement for admission to this course will be the Secondary School Graduation Diploma of the General Course with at least *four* options, one of which shall be French Literature and French Composition.)

Special provisions are made for the admission to the Teachers' College of persons with service in the Forces during the war, 1939-45. Ex-servicemen and ex-servicewomen who wish to attend the University of Ottawa Teachers' College and who hold at least Grade 12 standing are advised to place their cases before the Registrar of the Department of Education, stating the secondary school standing held, and making clear the nature and duration of their war service.

Medical Examination

Before an applicant is admitted to the Teachers' College, he must pass a physical examination conducted by a medical examiner appointed by the Minister of Education. The medical examination, for which a fee of \$3.00 shall be paid by the applicant, will be given at the Teachers' College a few days before or after the opening of the first term. The applicant will be given due notice of the time and place at which he is to present himself for the examination.

Applicants who are found to suffer from a physical condition not sufficiently serious to prevent their entry into the teaching profession, but which condition in the course of time is likely to become aggravated, are required to sign a document waiving their right to be considered for a pension under The Teachers' Superannuation Act in case of retirement because of disability.

In the event of the rejection of the applicant in consequence of the medical examination, the Department of Education will refund: the medical examination fee of \$3.00, the return trans-

portation cost between the Teachers' College and the applicant's place of residence in Ontario; and a sum for board and lodging at the rate of \$1.00 a day from the date of the opening of the Teachers' College until the date the applicant was notified of his exclusion by the principal.

If an applicant has reason to think that he may not pass the medical examination, he may apply for an advance medical examination on or after June 1st preceding the opening of the Teachers' College, by writing to the Deputy Minister of Education and requesting this privilege. In doing so, he should explain his reason, and enclose an advance medical examination fee of \$3.75 made payable to The Treasurer, Province of Ontario.

Other Requirements

For other requirements for admission to the Teachers' College, applicants are referred to Circular 600, *Calendar of the Teachers' Colleges*.

PROGRAMME OF STUDIES

The programme of studies at the University of Ottawa Teachers' College shall be as follows:

- Group I: Educational Psychology; School Management; English, Part I; English, Part II; French, Part I; French, Part II; Mathematics; Social Studies; Art; Music; Physical Education; Health; a minimum course in Science.
- Group II: Directed observation and practice teaching in urban and rural elementary schools.
- Group III: Library Methods; Religious Instruction.

Concurrently with the study of methods, there will be a review from the standpoint of pedagogy of the content of the subjects of the Primary and Junior Divisions, and of Grades 7 and 8 of the Intermediate Division. While detailed treatment of the work of the Kindergarten and of Grades 9 and 10 will not be required, attention will be directed to the place of the Kindergarten in the educational system, and to the scope and objectives of the Intermediate Division as a curriculum unit.

Directed observation and practice teaching for each student will be arranged as far as practicable to include experience in the various Divisions of the elementary school in urban and rural classrooms. Observation and practice teaching in Grades 9 and 10 will not be required.

Students who exhibit marked deficiencies in scholarship or skills, or whose practice teaching may be affected by adverse personality factors, will be organized into groups under the guidance of the staff for the purpose of planning and carrying out a programme of self-improvement.

SESSIONAL RECORDS

Sessional records will consist of the records of term examinations, oral and written class tests, and practical work. The general attitude of the student to his work, his adaptability to teaching, and the probability of his future success as a teacher will be taken into consideration in determining his sessional standing.

A student who in any examination subject obtains 66 per cent of the marks assigned to that subject on the sessional records may, on the recommendation of the staff, be exempted from the final examination in that subject.

FINAL STANDING

The final examination papers in Group I will be prepared by the staff of the Teachers' College and will be written at the end of the second term on the dates and at the hours set by the Department of Education. A copy of the examination timetable may be obtained from the Teachers' College Principal or the Deputy Minister of Education after April 1st in any school year. The papers shall be as follows: Educational Psychology; School Management; English, Part I; English, Part II; French, Part I; French, Part II; Mathematics; Social Studies; Art and Music; Physical Education and Health.

The maximum number of marks for each examination subject will be 200, of which 100 will be allowed for sessional records and 100 for the final examination.

The standing of extra-mural candidates will be determined by the final written examinations. For this purpose the maximum of marks in the case of each paper will be 200.

A candidate who is otherwise qualified and who at the final examinations obtains 60 per cent of the marks in each of the examination subjects of Group I, and who obtains pass standing in practice teaching, shall, on the recommendation of the staff, be granted an Interim Elementary-School Teacher's Certificate, or a Deferred Interim Elementary-School Teacher's Certificate, or an Interim Second Class Certificate, according to the course to which he has been admitted.

Candidates otherwise qualified who fail in not more than two of the examination subjects of Group I, and who pass in practice teaching, may be exempted from further attendance and may complete their standing by writing at one or more future annual examinations the final paper or papers in the subjects in which they have failed.

All other candidates who have failed to secure the necessary final standing shall be required to repeat the course by attendance at a subsequent January to June term. Such students are advised, however, to repeat the entire session if possible.

During recent years, special provisions have been in effect in the case of candidates who have failed to secure the required standing at Teachers' College but who have subsequently taught successfully on Letters of Permission. Should these provisions continue in effect, information will be forwarded to unsuccessful candidates with their statements of results.

APPEALS

A candidate who has passed in practice teaching but has failed in one or more examination papers may have his case reconsidered if, within two weeks after the announcement of the results, his appeal, with a statement of the grounds on which it is based, is lodged with the Deputy Minister of Education, accompanied by a fee of \$2.00 per paper, made payable to The Treasurer, Province of Ontario. This fee will be returned to the candidate if the appeal is sustained.

GENERAL INFORMATION

For information regarding opening and closing dates of the Teachers' College year, application for admission, board and lodging, duties of students, student organizations, etc., reference should be made to Circular 600, *Calendar of the Teachers' Colleges*.

FINANCIAL ASSISTANCE

Assistance is available in the form of loans, adequately secured, towards the cost of board and travelling expenses in the case of students who cannot reach the University of Ottawa Teachers' College daily by ordinary means of transportation, such as street cars, buses, travel by commutation tickets on the railroad, etc. Such loans are made only to assist the student in meeting expenses for board and travelling as certified by the principal, and in no case shall exceed 70 cents per day for board. Students who have had financial aid for a professional course of one year will not be eligible to receive further loans. Loans are to be repaid to the Department of Education on the following conditions: (a) the full loan is to be repaid if the students fail to complete courses or to give service as teachers in the schools; (b) each full year of service will relieve the guarantor of the obligation to pay one-fourth of the loan, so that the loan will be cancelled completely at the end of four years of service.

COURSES OF STUDY

Reference to Circular 600

The details of the courses common to the University of Ottawa Teachers' College and the other Provincial Teachers' Colleges will be found in Circular 600. The courses in Science, Industrial Arts, and Home Economics, as given in the other Provincial Teachers' Colleges are replaced in the University of Ottawa Teachers' College by courses in French, Part I, and French, Part II, although a minimum course in Science is provided. The courses in English, Part I, and English, Part II, outlined below, are to be substituted for the corresponding courses outlined in Circular 600.
